

Hello!

Thank you so much for helping us to raise money for **Children in Need** charity on Friday. We had lots of fun and the children enjoyed some very colourful activities.

In total we raised :

I hope that you have booked your conversation with your child's keyworker and have enjoyed looking at the photos of your child learning in school.

Please don't forget to send the teachers photos of your child enjoying activities at home.

We love to find out about the things you enjoy doing together at home.

(Please use emails below to contact Teachers)

Last week Yellow class enjoyed finding out how apple juice is made. A visiting Apple farmer delighted the children by showing them how to press apples.

If you have a special hobby or talent Please come and visit us too!

By now you will have all received your school photos. We have looked through them all and think they are very special.

Not only are these photos the perfect Christmas present; but by buying your photo you will also help us to raise money for Huntingdon Nursery School.

Everyone wins – thank you in advance for your support.

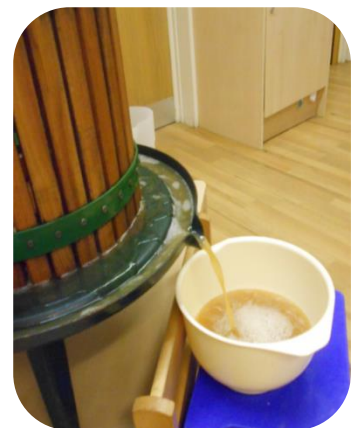

Cooking and snack donation

Each term we ask parents to contribute to help support additional activities; like cooking in school. These donations help us to enhance learning. **The suggested donation is £5 per term (£15 for the year).** If you haven't yet made a donation to school, please pop into the office to pay in cash or you can set up an online payment through your banking app to the following account.

Many thanks for your support.

Parent Drop - Ins...

Now that our children have settled in school, we would like to extend an invitation for you to visit your child's classroom. This will give you an insight into school life and a chance to meet your child's friends.

We can only arrange for one or two parents to visit each class at a time. Tuesday or Thursday are good days to visit. Contact the office if you would like to arrange this between now and Christmas.

Life Education Bus

As part of our Personal, Social, Health and Citizenship Education (PSHCE) scheme of work, we are fortunate to be having a visit from the Cambridgeshire and Peterborough Life Education Centre for two days this week: Wednesday 23rd and Thursday 24th October.

Our school's philosophy and practice in all areas of PSHCE relates to developing the necessary skills, knowledge and understanding about the human body in order that children come to make healthy choices.

Over the two days each class will visit the high-tech classroom and enjoy activities to help develop their understanding of their bodies.

Activities include: exercise to music, sleeping under the star ceiling and meeting Harold the giraffe puppet!

We have organised some sessions for parents to visit as well : 11.25am - 11.45am or 12.40pm - 1pm on the 23rd and 24th November.

To book a space please call 01480 375216.

Do you have old Xmas themed clothes you don't wear anymore?

Please bring them into school for us to resale as part of our Christmas fundraising..... You have enjoyed wearing them why not donate them to allow another person to enjoy?

We are taking donations of clothes NOW
