

Our journey through Nursery is nearly at an end..... Can you believe it!

Time really does fly when you are having fun!

Thank you to the parents who have made a voluntary contribution toward the costs of cooking activities. This term this pot of money has helped us pay for cooking for Mother's day, food for our special Jubilee tea and cooking related to some of our favourite stories – luckily our gingerbread men didn't run away from us!

If you haven't made the suggested contribution of £15 for the year please see bank details further in this newsletter to make your contribution.

The holidays are a chance for you to enjoy some family time and activities.

This is the link to '50 things' app which is a bank of some lovely activities that you can enjoy at home whatever the weather together as a family.

Families who have used this app previously found it to be a link to lots of fun and practical low cost or free activities.

<https://cambspboro.50thingstodo.org/app/os#!/welcome>

It is always lovely to see photos of fun activities at home so please do email photos to us over the holidays, especially if you are returning to Nursery in September. The children will enjoy seeing these displayed their new classes in September.

Have a fabulous holiday – stay fun and have fun!

Claire

Invitation for Parents

On Wednesday 20th July we would like to invite you to come into nursery and enjoy a drink and a biscuit. See timings on the email. This will give you an opportunity to look at the class room display and children's work as well as giving the staff opportunity to say good bye and thank you to you all before the summer holidays.

Cooking and snack donation

We have received very few snack and cooking monetary donations this year. These donations help us fuel enhanced learning. The suggested donation is £5 per term (£15 for the year). **If you haven't yet and are able to please transfer money to the nursery bank account (Account number: 25740121 Sort code: 52-10-46)**

Or hand in your donation to the office. Many thanks for your support.

Transition

We hope the children are enjoying their day visits to their new 'Big' schools. To help with the transition to primary school we are meeting with their new teachers to pass on information to them. We will also be sending transition information home to you. If you would like to speak to your child's keyworker at nursery regarding transition please speak to their teacher at pick up to arrange a time

Theatre Trip

We are really looking forward to our theatre trip this Friday. I am sure the children will have lots to tell you about 'The Town Mouse and the Country Mouse' after the show. Please make sure you have handed back the permission slip before Friday.

COVID-19

We are still managing staff absence due to the latest outbreak of Covid. Please monitor your child for the main symptoms of Covid. See this link for the latest Covid guidance

<https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19>

September Returners

We are looking forward to welcoming back our returners in September along with some fresh faces. A schedule for your return will be sent out shortly. The 1st and 2nd of September the teachers will be available for home visits. We encourage you to arrange a suitable time on one of those days with your new class teacher. If you are unavailable for a home visit we would welcome you to come to visit the nursery on Monday 5th September.

Parent Survey

Each year we ask parents to fill in a survey to help us to find out what you think we have done well, but also what we could make better for the future. Please complete the survey which we will send tomorrow and bring back by Monday.

Good Bye Marta!

We are sad to say that Marta will be leaving us at the end of term. She will be starting a university course in September. Marta has been a huge asset to the nursery in her assistant role. She has also helped in the crèche at the children's centre. We wish her all the best in her University course.

Term Dates

Last day of Summer Term: Wednesday 20th July

Home visits: Thursday 1st & Friday 2nd September

Home visit/Nursery visit: Monday 5th September

Staff training day: Tuesday 6th September
